March 2020

Love God. Love Learning. Love Others.

I am wonderfully made!

Psalm 139:14

We will learn to be our best, to eat healthy and to take care of our bodies. We'll get excited to welcome spring!!!

Our themes for the month of March will be:

Healthy Bodies
Healthy Eating
Dental Health
Spring

The Color of the Month is GREEN!

The Shape of the Month is a TRIANGLE!

Join us for the BCP OLYMPICS!!!!

We invite you all to attend *Chapel* with us
On *Friday, March 13th at 9:15.*

**It's Registration time for the
2020-2021 School Year Already!!!!**

Registration is now open for the public!
Tell all your friends!
Post it on Facebook!
Share our flyers wherever you go!

**PLEASE HAVE YOUR CHILD
WEAR SNEAKERS TO SCHOOL
EVERY DAY THIS MONTH!!!!**

March Songs:

God Made Me!

God made Me!
Everything you see!
Eyes and ears and mouth and noses,
Head and shoulders, knees and toes!
Everything you see!
God made me!

Ho-Ho-Ho-Hosanna!

Ho Ho Ho Hosanna!
Ha Ha Ha Halleluiah!
He He He He saved me!
I've got the joy of the Lord!
I've got the joy of the Lord!

29	30 Crosses	31 Sun catchers	1 April Fool's Day!	2 Little Lambs	3 Praying	

Why Are Scissor Skills so Important?

(From Mrs. Pieman's Kindergarten)

- **Build Fine Motor Skill!**

Cutting allows your child to build up the little muscles in their hands with the open and close motion. These muscles are so important for writing, painting, and doing everyday things like brushing their teeth, eating with utensils, and getting dressed.

- **Develop Eye-Hand Coordination!**

Cutting requires your child to use their eyes and hands in unison to accomplish the cutting task. Eye-hand coordination is important for catching and throwing a ball, eating with a spoon, and zipping a coat.

- **Increase Bilateral Coordination!**

Cutting encourages your child to use both sides of their body at the same time while each hand is performing its own task. When cutting a shape, a child must hold the paper with one hand while the other hand is opening and closing the scissors and moving forward to cut. This is essential for tasks like zipping up a coat or pants, washing dishes, and opening books or letters.

- **Improve Focus and Attention!**

Cutting out shapes takes concentration and attention to detail. Both skills are necessary for success not only in the classroom but in every day life. The ability to sustain focus is essential to being able to read books, listen to directions and complete many other classroom tasks.
