Summer Fun! (A repeat from last year!)

- Search for and play on new playgrounds in the area
- Take a blanket and your books outside to read
- Create your very own obstacle course
- Turn the tv off!
- Write us a letter or draw us a picture and mail it to the school
- Start a new collection with rocks, sticks, flowers, etc.
- Try new recipes with your little chefs helping out
- Visit the Library and participate in their summer reading program
- Go on a hike... look at plants, trees, animals and birds
- Plant a garden... see what happens when you plant a potato or an avocado pit
- Draw with chalk on the sidewalk or driveway...remember hopscotch? 4 Square? Draw a road for you child to ride their bike on!
- Get outside to romp! Play catch, kick the ball, or toss a Frisbee together. Use different sized and textured balls.
- Go for a walk in your neighborhood looking for numbers and letters (and maybe meeting new neighbors! Don't forget to tell them all about our school ☺)
- Make a tent out of sheets and blankets (can do this one inside or outside)
- Turn on the music and dance... find different types of music and see how you feel when you listen
- Lay in the grass and look up at the clouds... what shapes do you see? Or look down at the bugs!
- Play with water outside... use empty spray bottles, empty containers, a hose or sprinkler

- Make Play dough: Mix together 2 parts flour 1 part salt 1 part water food coloring
- Spend some time looking at the moon and the stars at night
- Play board or card games together
- Just enjoy every day and have tons of fun!

We love you all and have enjoyed your children so much! God bless!
